### **Short Report :**

As per IQAC committee decision on 22.1.2016 a sensitization programme on CBCS was organized to prepare the teaching faculty for the introduction of Choice Based credit System by Mizoram University from the next academic session i.e 2016-17.

The resource person introduced and highlighted the main aspects of the CBCS. He also commented that the system has been modified slightly to suit the requirement of the university and its affiliating colleges It was also brought into notice that the department of Computer Science had already introduced the grading system from the previous year, though it was not yet fully implemented as CBCS. The enlightening lecture on the new system was followed by an interactive session between the Resource person and the participating faculty members. The session ended with a vote of thanks from the secretary
