

**Extension Activities (July 2020- June 2021)- Preparation of Hand Sanitizer by
Department of Biochemistry, GZRSC**

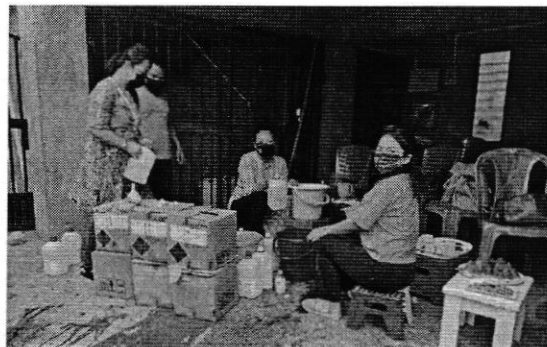

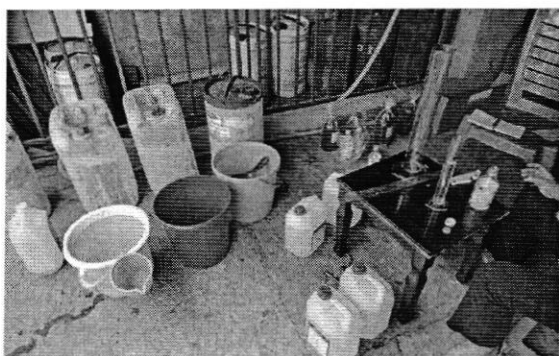

The Covid Response Team comprising of Biochemistry teachers and students initiated the preparation of the much needed hand sanitizers (1210 litres) during 2020, the 1st wave of Pandemic with a funding from the constituency MLA Dr.Vanlalhlana and with the support of the Principal.They were prepared at the college laboratory as per WHO guideline. The product was distributed to the Local Task Force.

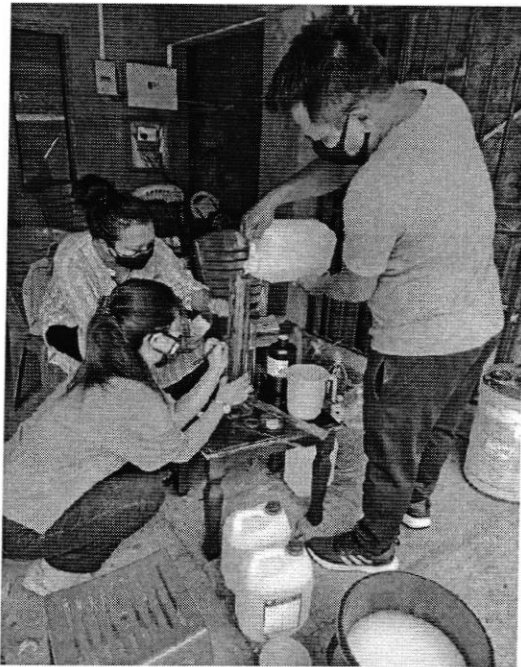

With the rising demand for protective gears and hand sanitizers, during the 2nd wave of Pandemic, under strict Lockdown implications, the Department managed to prepare more hand sanitizers in collaboration/ funding by the constituency MLA. The work has started from 10th May 2021 and continued till 12th May 2021, 12th June 2021 and 19th July 2021 at a local garage since activities at college campus was not permitted/possible during these times. A total of 389 litres of hand sanitizers were prepared as per the latest WHO protocol.
