Resource person on 1st August :Lalrinmawia Associate Professor, Deptt of Zoology GZRSC
- 6.The programme was organised to create awareness among the students regarding the choices and chances offered at higher levels of study. They were made aware of their career choices which is indeed vital for them as they will soon face the crossroads of their educational life. They were advised to set goals which would motivate them to reach greater heights. Background knowledge of educational institutes which offered courses of their choice was also made known to them.
