The One Day Scientific Seminar on National Science Day 2023 under the theme '*Global Science for Global Wellbeing*' was jointly organized by Research & Development Cell, NSS Unit, Govt. Zirtiri Residential Science College and Mizoram Science, Technology & Innovation Council (MISTIC) on 28th February, 2023 at 2:00 pm. The Program was conducted in parallel session at two seminar rooms (Room Nos. 203 & 301).

In Room No. 203, Dr. Fanai Lalsangluaii, Asst. Professor & Head, Dept. of Biochemistry and a committee member of Research & Development Cell, GZRSC chaired the session. The resource person Dr. Samuel Lallianrawna, Asst. Professor, Dept. of Chemistry presented on a topic of '*Emerging Trends in Nanosciences & Technology*'. After highlighting a brief history and introduction on the topic, he further emphasized on the various applications with respect to Global Wellbeing, especially in the fields of medical sciences, electronics, industries, chemical engineering and future mobility.

The chairman invited another resource person, Dr. Lalzahawmi Chenkual to speak on the topic '*Science & Humanity*', a practical approach to manners and etiquets inside the college campus. There are 111 students and 14 Teachers attended in this seminar. The Chairman ended the session with a vote of thanks.

In Room No. 301, Dr. Arup Kumar, Associate Professor & Head, Dept. of Physics, chaired the session and the seminar started with a brief introduction about the importance of National Science Day, which is 28th February. It is the day on which Sir Dr. C. V. Raman discovered the '*Raman effect*' and subsequently awarded the Nobel prize. He explained briefly about Raman effect and its applications in different fields of sciences.

The chairman invited one of the resource person Dr. Lalzahawmi Chenkual to speak on the topic '*Science & Humanity*', a practical approach to manners and etiquets inside the college campus.

The next lecture was presented by Prof. Tapan K. Dutta, Professor & Head, Dept. of Microbiology, College of Veterinary Sciences (CAU), Selesih who explained the importance of the theme of this year Science day, i.e. '*Global Science for Global Wellbeing*'. Global science is important in achieving Global wellbeing. By working together, scientists can develop sustainable solutions to some of the world's most pressing challenges. It is important that we continue to invest in global science, support international collaboration and prioritize the development of solutions that can benefit everyone.

At the end, there were lot of interactions among the participants who are nearly 100 in number including teachers and students. The seminar ended with a vote of thanks from Dr. Arup Kumar.
