

REPORT ON
CYBERSECURITY AND EMERGING TECHNOLOGIES

Date: 24TH August 2022

Time: 11:00am – 1: 00pm

Venue: SEMINAR HALL, RAMTHAR CAMPUS, GZRSC

Resource Persons: **Mr. Lalrempuia Sailo, Senior Technical Officer, NIELIT**
Mr. Dengchhunga, Senior Technical Officer, NIELIT

No of Participants:

Student: 87

Faculty: 2

Organiser(s): NIELIT, Aizawl and Department of Computer Science, GZRSC

Short Report:

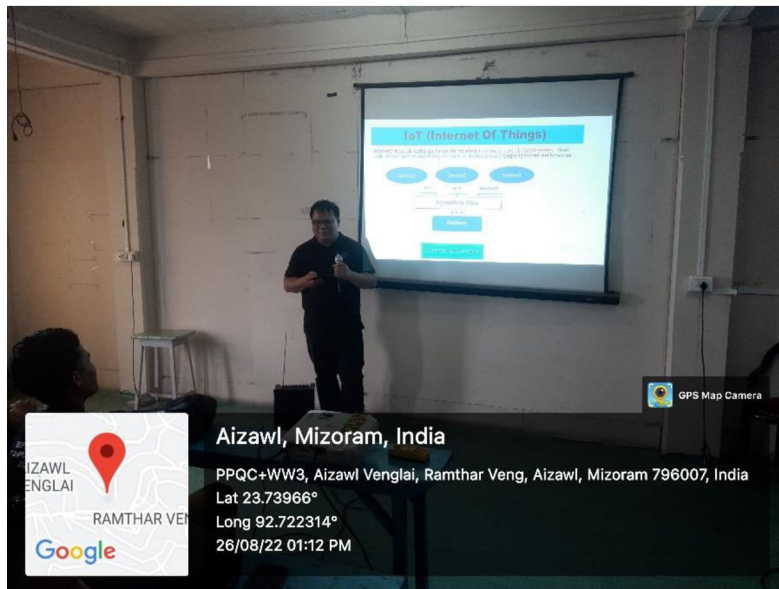

The seminar was chaired by Mrs R Lalmawipuii, assistant professor, Dept. of Computer Science. She introduced the two resource persons and faculties of our college. Attendance was taken and the session was handed over to Mr. Lalrempuia Sailo, Senior Technical Officer, NIELIT. He talked about the cybersecurity and its threat. He told the students to be very careful in today's information technology world as all of us access the internet mostly in social networking and online shopping. We should not disclose our identity and share our personal information in the internet as there are many hackers who can use our identity for cybercrime. It was an interesting and useful session. Students were all eager to know more of the topic and doubts were also clarified at the end of the session.

The second resource person talked about cyber crime and its effect. He shared his experience and the increasing number of cybercrimes that occur in today's world. We need to be very alert and should not respond to any email or messages from an unknown sender. Though there are government departments that can help us from cybercrime victims. It is much better to prevent ourselves from cybercrime. The meeting was ended by the chairman with a vote of thanks and a light refreshment.

Report by Dr. M.S.Dawngliani,

Assistant Professor, Dept. of Computer Science,
GZRSC
