II. Activity Summary:

The Department of Chemistry, Govt. Zirtiri Residential Science College, organized a Cleanliness Drive at Setlak Lui with the theme “Say No to Single-Use Plastic.” During the drive, students and faculty actively collected plastic waste from the area, emphasizing the urgent need to reduce pollution caused by disposable plastics. The collected waste was carefully segregated and disposed of responsibly to prevent environmental damage.

This initiative aimed to raise awareness about the harmful effects of single-use plastics on the environment and encouraged the community to adopt sustainable alternatives. The drive not only helped clean the local surroundings but also promoted a strong sense of social and environmental responsibility among participants, while fostering teamwork and community spirit.
