II. Activity Summary: A mass cleanliness run was organized at 3:00 pm on 31st January 2026. The evening time was selected as we hoped to get more audience as compared to morning time. 30 students comprising of 15 girls and 15 boys from the college hostel participated in the event. Starting from the Govt. Zirtiri College, the students picked up all the garbage along the roadside and side drains, and moved uphill till Aizawl Theological College. All the filled garbage bags were carried back to the college where it was disposed-off in the Municipal garbage trucks.

The program was a success as the students through hands-on participation in a community clean-up drive, students internalized the importance of responsible waste disposal and keeping our surroundings clean. On-lookers of the cleanliness run also greatly appreciated the efforts of the Eco club and we hope it will have a positive impact on them too.
