

Report on “CELEBRATION OF NATIONAL SPACE DAY 2024”

Date	:	23/08/2024
Time	:	11:30 am
Place	:	Govt. Zirtiri Residential Science College Campus. Room no 2/301
Organisers	:	Deptt. of Physics, IQAC and Research and Development Cell, GZRSC.
Chairman	:	Dr. Rosangliana, Head, Department of Physics
Resource Person	:	Dr. Lalthakimi Zadeng, Associate Professor. Deptt. of Physics, Mizoram University.
Vote of thanks	:	Dr. Remlalsiama. Assoc. Prof. Deptt. of Physics, GZRSC
Target audience	:	All 5 th Semester Students.
Total no of participants	:	174 (130 students and 44 Teachers).

Summary of the Activity:

Government Zirtiri Residential Science College proudly observed and celebrated National Space Day at the College Campus. The program commenced at 11:30 AM, chaired by Dr. Rosangliana, Head, Department of Physics, who welcomed participants and introduced the purpose of the gathering and highlighted India's remarkable achievement in launching Chandrayan 3, marking a significant milestone in the country's space exploration journey. He emphasized the importance of National Space Day in promoting awareness and enthusiasm for space research among students and faculty.

The Principal of the college was invited to deliver a speech, and he began by expressing gratitude to the organizers for arranging the seminar. He provided a comprehensive overview of the history of satellite launches and moon landings, tracing the journey from the early Soviet Union's Sputnik to the latest advancements in space technology. He also discussed India's progress in space exploration, including the successful launches of Chandrayan 1, 2, and 3. He highlighted the significance of these missions in expanding our understanding of the universe and the potential applications of space research in improving life on Earth.

Concluding his speech, the Principal wished for the seminar to impart valuable knowledge about space and satellites to all participants, ensuring a fruitful and enlightening

experience. He encouraged students to pursue careers in space research and exploration, contributing to India's growing reputation as a leader in space technology.

The program continued with expert talks, discussions, and interactive sessions, providing a platform for students and faculty to engage with the wonders of space exploration.
