

## **Report on One-Day Workshop on Rapid Application Development using Laravel cum Campus Placement**

**Date:** 6th March 2025

**Venue:** Computer Science Laboratory, GZRSC

**Organized by:** Lailen Consulting Ltd.

**In Collaboration With:** Department of Computer Science, Govt. Zirtiri Residential Science College

A one-day workshop on *Rapid Application Development using Laravel cum Campus Placement* was successfully conducted on 6th March 2025 at the Computer Science Laboratory of Govt. Zirtiri Residential Science College (GZRSC). The event was organized by **Lailen Consulting Ltd.** in collaboration with the **Department of Computer Science, GZRSC.**

The primary objective of the workshop was to provide students with hands-on experience in rapid web application development using the Laravel framework—one of the most popular PHP-based web development platforms. The session also served as an opportunity for students to explore career prospects through an on-campus placement drive organized as part of the programme.

The workshop began with an inaugural address by faculty representatives and resource persons from Lailen Consulting Ltd., followed by a comprehensive training session. Participants were introduced to Laravel's core features, including MVC architecture, routing, Eloquent ORM, and authentication.

In the second half of the event, a **campus placement drive** was held for final-year students. Representatives from Lailen Consulting Ltd. conducted interviews and coding assessments to identify potential candidates for employment.

The workshop was well-received by the participants, who appreciated the practical exposure and opportunity to interact with industry professionals. A total of **27** students took part in the event, and **1** was shortlisted for further recruitment processes.

The Department of Computer Science expressed gratitude to Lailen Consulting Ltd. for their support and contribution in bridging the gap between academic learning and industry requirements.
