

Report on Observation of a Preschool Centre

Date: 9th August, 2024

Place: Tiny Bloom Preschool and Daycare, Durtlang.

Number of participants: Students: 11 (V Semester, B.Sc. Home Science)

Teacher: 1

Observation of a Preschool Centre was conducted on 9th August 2024. 5th Semester B.Sc. Home Science students visited Tiny Bloom Preschool and Daycare, to gain practical knowledge about the organization and functioning of a preschool Centre. The students observed the various activities of the Preschool Centre and interacted with the preschool children as well as the preschool staff. Students benefited greatly from this experience, gaining a deeper understanding about the organization of Preschool Centres and the care and development of preschool children.
