II. Activity Summary:

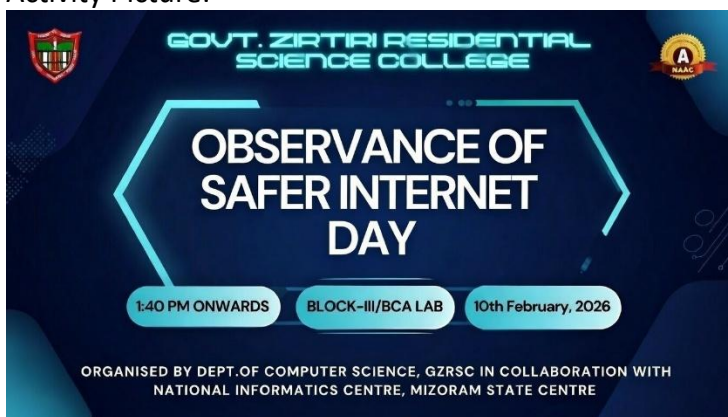

Government Zirtiri Residential Science College observed Safer Internet Day on 10th February 2026 at the BCA Laboratory, Block-III, from 1:40 PM onwards. The programme was organized by the Department of Computer Science in collaboration with the National Informatics Centre (NIC), Mizoram State Centre, with the aim of promoting awareness on safe and responsible internet usage among students.

Mr. Prince from NIC initiated the session by delivering an introductory presentation on internet safety. He explained the importance of safe browsing practices, protection of personal data, and awareness of online risks and cyber threats faced by internet users today.

Following the introductory session, Mr. Rochungnunga Hrangchal summarized the key aspects of internet safety and further elaborated on various projects handled by NIC as well as applications developed for public services. He also guided and encouraged students by sharing insights into current technological developments and provided practical tips for selecting and executing academic projects effectively.

The interactive session enlightened students about digital responsibility and career opportunities in the technology sector. The programme was chaired by Dr. M.S. Dawngliani and concluded successfully with active participation and interaction between students and the resource persons.
