Brief Description of the Programme :

Swachh Bharat Mission has reached a 10-year milestone since it was launched by the Hon'ble Prime Minister Narendra Modi on 2nd October, 2014. As a celebratory event of the decade long successful implementation of this flagship programme, a fortnight long nationwide Cleanliness Campaign Swachhata Hi Seva 2024 is to be observed from 17th September to 2nd October, 2024 with a theme of 'Swabhav Swachhata – Sanskar Swachhata'.

In this connection, NSS Unit of Govt. Zirtiri Residential Science College in collaboration with NCC and Eco Club of GZRSC organized **Waste to Art Activity** with a theme of *3R – Reduce, Reuse, Recycle* on 24.09.2024 at **College Campus, Durtlang Leitan** under the guidance of NSS Programme Officers. The main activity is making paper bags from an old newspaper. These paper bags were distributed at the local vendors free of cost as an awareness of reducing single use plastics.
