## "Enhancing Student Success: Examination Rules and Tips"

On October 23, 2024, the Department of Computer Science at GZRSC conducted a seminar titled "*Enhancing Student Success: Examination Rules and Tips.*" Held at Block No. 3 in the Computer Science Laboratory, the event was well-attended, with six faculty members and 67 students participating. The seminar aimed to equip students with a deeper understanding of examination protocols and study strategies to support their academic achievements.

The seminar commenced with an opening address and welcome by the Chairman, Dr. M.S. Dawngliani, Assistant Professor in the Department of Computer Science. In his address, Dr. Dawngliani highlighted the seminar's objective to boost students' academic performance by emphasizing examination integrity and effective preparation methods.

Following the welcome, a felicitation ceremony honored the top three rank holders across all semesters. Each outstanding student received a cash incentive as a token of appreciation for their consistent academic dedication and accomplishments. This gesture underscored the department's commitment to fostering a culture of excellence and inspiring students to strive for academic success.

In the main segment of the seminar, Mr. Lalhruaitluanga, Assistant Professor, Department of Computer Science, GZRSC took the stage to present an in-depth briefing on crucial examination-related matters. He outlined key examination rules, emphasizing the importance of adherence to these guidelines for fair and successful academic assessments. Additionally, Mr. Lalhruaitluanga shared valuable tips on effective time management, strategies for tackling challenging exam questions, and approaches to managing exam stress. His insights were well-received, with many students expressing that they found the practical tips beneficial for their upcoming exams.

The seminar concluded with a vote of thanks by Dr. C. Lalrinawma, Head of the Department of Computer Science, who acknowledged the efforts of the organizers, participants, and speakers. He expressed his hope that the seminar's guidance would not only help students excel in their exams but also encourage a responsible and diligent approach to their studies.

Overall, the seminar was a constructive session, equipping students with important examination information and motivating them towards academic excellence. Through this initiative, the Department of Computer Science at GZRSC demonstrated its ongoing commitment to enhancing student success and supporting holistic educational development.
