GOVT. ZIRTIRI RESIDENTIAL SCIENCE COLLEGE: AIZAWL

Motto: *Lighted To Lighten*

The System may be executed in an innovate fashion as felt necessary by individual teachers. A brief guideline is given below for your ready reference.

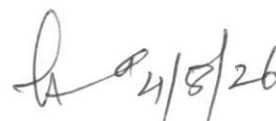

Guidelines for Mentoring System

1. Teachers should make themselves available for academic counselling/assistance as per requirement of Students.
2. It will be an obligation of the teachers to follow the progress/performance of students regarding Test/Attendance etc.
3. A mentor may conduct group meetings, if and when necessary, with the students without disrupting the normal class.
4. Mentors & Students may contact the, IQAC coordinator, if and when the need arises.
5. If mentee could not attend regular class for any reason, they should inform their mentor. All letters seeking leave from classes should be submitted to the Principal through the Mentors with appropriate supporting documents.
6. All mentors are to take note of Drop-Outs among their mentees and provide sufficient reasons.

Suggested Activities:

- (a) Mentors are expected to render consultation/ counseling to their assigned wards/students, as and when required.
- (b) Mentors will follow the academic development or drawbacks, as the case may be, **regarding performance in tests/ exams, class attendance**, etc. of students.
- (c) Mentors and students may organize meetings.
- (d) Mentor may create Whatsapp group with the Mentees and if possible, with their Parents.

Any other innovative activities may be introduced
